CLP Power Receives Home Affairs Department and Exchanges Views to Strengthen Community Collaboration

The management of CLP Power Hong Kong Limited (CLP Power) today (7 August) exchanged views with Mrs Alice Cheung, Director of Home Affairs, and District Officers of the Home Affairs Department (HAD) during their visit to CLP Power's System Control Centre.

CLP Power Managing Director Mr Joseph Law and his management team exchanged views with HAD representatives on community support initiatives, coordination during emergencies, as well as projects funded by the CLP Community Energy Saving Fund and the Substation Beautification Project. The management also presented innovative technologies and measures to enhance the performance and effectiveness of the power grid.

During the visit, CLP Power management also introduced the operation of the System Control Centre, which is responsible for 24-hour real-time monitoring of the power systems, coordinating and addressing emergency issues to ensure a safe and reliable power supply.
